

## Product Datasheet

### GC0472 - D-Glucose-6-phosphate monosodium salt

#### Product Details

Product Name	D-Glucose-6-phosphate monosodium salt
Glenthams Code	GC0472
CAS Number	54010-71-8
EINECS	258-921-0
MDL Number	MFCD00006611
PubChem SID	310274199
Related Categories	Carbohydrates, Core Carbohydrates, Biochemicals

#### Structure

Molecular Weight : 282.12  
Molecular Formula :  $C_6H_{12}NaO_9P$

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

Not classified as hazardous under CLP.  
Not classified as dangerous for transport.

#### Glenthams Product Specification

Physical Description	: White to off-white crystalline powder
Water (KF)	: $\leq 2.0\%$
Assay (Titration)	: $\geq 97\%$
Version	: v1.0

#### About D-Glucose-6-phosphate monosodium salt

No further details on record.
