## **Certificate of Analysis**

| Product Name             | lohexol  |                               |                    |               |
|--------------------------|--|-------------------------------|--------------------|---------------|
| Glentham Code            | GP9090   |                               |                    | /он           |
| CAS Number               | 66108-95-0   |                               |                    | ⁰, ∕──́       |
| EINECS                   | 266-164-2  |                               | но                 | і У ін он     |
| PubChem SID              | 310275341  |                               | $\succ$            | $\rightarrow$ |
| MDL Number               | MFCD0007773  | 2                             | но                 |               |
| Batch Number             | 960HQG   |                               | H <sub>3</sub> C — |               |
| Molecular Weight         | 821.14   |                               |                    | о і — мн он   |
| Molecular Formula        | C <sub>19</sub> H <sub>26</sub> I <sub>3</sub> N <sub>3</sub> O <sub>9</sub> |                               |                    | oʻ 🔍          |
| Storage Temp.            | +20°C  |                               |                    | ∕он           |
| 0 1                      |  |                               |                    |               |
| Property                 |  | Specification                 |                    | Batch 960HQG  |
| Physical Description     |  | White to off-white powder     |                    | White powder  |
| Solubility (5% in water) |  | Clear, colourless to faint ye | ellow solution     | Conforms      |
| Heavy Metals             |  | ≤ 10ppm                       |                    | ≤ 10ppm       |
| Water                    |  | ≤ 4.0%                        |                    | 0.5%          |
| Assay                    |  | 98.0 - 102.0 % (anhydrous     | hacia)             | 99.4%         |
