

## Product Datasheet

### GA0397 - Ornidazole

Pictograms

#### Product Details

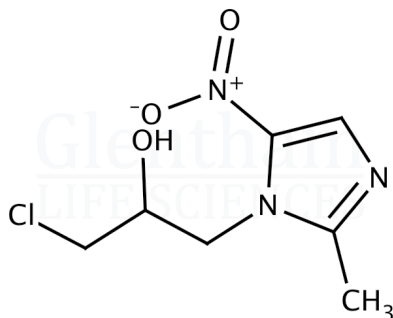

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Product Name       | Ornidazole                                      |
| Glenthams Code     | GA0397                                          |
| CAS Number         | 16773-42-5                                      |
| EINECS             | 240-826-0                                       |
| MDL-Nummer         | MFCD00057960                                    |
| PubChem SID        | 310278376                                       |
| Related Categories | APIs, Antibiotics, Biochemicals, Antimicrobials |

#### Glenthams Product Specification

|                            |                                                        |
|----------------------------|--------------------------------------------------------|
| Physical Description       | : White to off-white or pale yellow powder or crystals |
| Identification (IR)        | : To conform to standard                               |
| Solubility (5% in ethanol) | : Clear, colourless to faint yellow-green solution     |
| Melting Point              | : 88.0 - 93.0 °C                                       |
| Assay                      | : ≥ 98.0%                                              |
| Version                    | : v1.0                                                 |

#### Structure

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Molecular Weight  | : 219.63                                                         |
| Molecular Formula | : C <sub>7</sub> H <sub>10</sub> ClN <sub>3</sub> O <sub>3</sub> |

#### About Ornidazole

No further details on record.

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

|                                            |                       |
|--------------------------------------------|-----------------------|
| Not classified as dangerous for transport. |                       |
| CLP Classification                         | Acute Tox. 4          |
| Signal Word                                | Achtung               |
| Hazard Codes                               | H302                  |
| Precautionary Codes                        | P280, P261, P301+P312 |
