

## Product Datasheet

### GA3837 - Cefovecin sodium salt

No further details on record.

#### Product Details

|                    |                                         |
|--------------------|-----------------------------------------|
| Product Name       | Cefovecin sodium salt                   |
| Glentham Code      | GA3837                                  |
| CAS Number         | 141195-77-9                             |
| Related Categories | Antibiotics, Beta-Lactam<br>Antibiotics |

#### Structure

|                   |                             |
|-------------------|-----------------------------|
| Molecular Weight  | : 475.47                    |
| Molecular Formula | : $C_{17}H_{18}N_5NaO_6S_2$ |

#### Storage

Recommended storage temperature: +4°C.

#### Hazards and Transport

Not classified as hazardous under CLP.

Not classified as dangerous for transport.

#### Glentham Product Specification

|                           |                              |
|---------------------------|------------------------------|
| Physical Description      | : Off-white to yellow powder |
| Identification (IR)       | : To conform to standard     |
| pH                        | : 5.5 - 7.5                  |
| Water (KF)                | : $\leq 2.0\%$               |
| Specific Optical Rotation | : +44.0 - +50.0 °            |
| Heavy Metals (as Pb)      | : $\leq 20\text{ppm}$        |
| Assay                     | : $\geq 88.0\%$              |
| Version                   | : v1.0                       |
