

## Product Specification

|                   |                                       |
|-------------------|---------------------------------------|
| Product Name      | Pyronaridine tetraphosphate           |
| Glentham Code     | GA4930                                |
| CAS Number        | 76748-86-2                            |
| MDL-Nummer        | MFCD05863545                          |
| PubChem SID       | 310279488                             |
| Molecular Weight  | 900.1                                 |
| Molecular Formula | $C_{29}H_{32}ClN_5O_2 \cdot 4H_3PO_4$ |
| Storage Temp.     | +4°C                                  |

| Property                 | Specification                               |
|--------------------------|---------------------------------------------|
| Physical Description     | Yellow to orange-yellow powder or crystals  |
| Solubility (1% in water) | Clear, colourless to yellow-orange solution |
| Assay                    | ≥ 98.0%                                     |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2021-05-26 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
