

## Product Specification

|               |              |
|---------------|--------------|
| Product Name  | Clofazimine  |
| Glentham Code | GA9061       |
| CAS Number    | 2030-63-9    |
| EINECS        | 217-980-2    |
| MDL-Nummer    | MFCD00056793 |
| PubChem SID   | 310270403    |

|                   |                       |
|-------------------|-----------------------|
| Molecular Weight  | 473.40                |
| Molecular Formula | $C_{27}H_{22}Cl_2N_4$ |
| Storage Temp.     | +20°C                 |

| Property                      | Specification                             |
|-------------------------------|-------------------------------------------|
| Physical Description          | Brown to red crystalline powder           |
| Solubility (5% in chloroform) | Clear, dark orange, red or brown solution |
| Loss on Drying                | ≤ 0.5%                                    |
| Assay                         | ≥ 98.0%                                   |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2016-03-03 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
