

## Product Specification

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| Product Name      | Ethyl propionate                                          |
| Glentham Code     | GK2643                                                    |
| CAS Number        | 105-37-3                                                  |
| EINECS            | 203-291-4                                                 |
| MDL-Nummer        | MFCD00009308                                              |
| PubChem SID       | 310272930                                                 |
| Molecular Weight  | 102.13                                                    |
| Molecular Formula | $\text{CH}_3\text{CH}_2\text{CO}_2\text{CH}_2\text{CH}_3$ |
| Storage Temp.     | +20°C                                                     |

| Property             | Specification                                 |
|----------------------|-----------------------------------------------|
| Physical Description | Clear, colourless to almost colourless liquid |
| Identification (IR)  | To conform to standard                        |
| Purity (GC)          | ≥ 99.0%                                       |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2024-01-05 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
