

## Product Datasheet

### GK3021 - Acetone

#### Product Details

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Product Name       | Acetone                                                                                   |
| Glenthams Code     | GK3021                                                                                    |
| CAS Number         | 67-64-1                                                                                   |
| EINECS             | 200-662-2                                                                                 |
| MDL-Nummer         | MFCD00008765                                                                              |
| PubChem SID        | 310265387                                                                                 |
| Related Categories | Reagents for Gel Electrophoresis of DNA/RNA, Reagents for Gel Electrophoresis of Proteins |

#### Structure

|                   |                                   |
|-------------------|-----------------------------------|
| Molecular Weight  | : 58.08                           |
| Molecular Formula | : C <sub>3</sub> H <sub>6</sub> O |

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

|                     |                                                 |
|---------------------|-------------------------------------------------|
| CLP Classification  | STOT SE 3, Eye Irr. 2A, Flam. Liq. 2, STOT SE 3 |
| Signal Word         | Gefahr                                          |
| Hazard Codes        | H335, H319, H225, H336                          |
| Precautionary Codes | P305+P351+P338, P261, P210                      |

#### Pictograms

UN Number, Class, PG (RID)

UN1090 - 3 - PG II

#### Glenthams Product Specification

|                      |                            |
|----------------------|----------------------------|
| Physical Description | : Clear, colourless liquid |
| Water                | : ≤ 0.5%                   |
| Assay                | : ≥ 99.5%                  |
| Version              | : v1.0                     |
