

## Product Specification

|                   |                               |
|-------------------|-------------------------------|
| Product Name      | Atosiban                      |
| Glentham Code     | GL1053                        |
| CAS Number        | 90779-69-4                    |
| MDL-Nummer        | MFCD00672436                  |
| PubChem SID       | 310267101                     |
| Molecular Weight  | 994.19                        |
| Molecular Formula | $C_{43}H_{67}N_{11}O_{12}S_2$ |
| Storage Temp.     | -20°C                         |

| Property              | Specification             |
|-----------------------|---------------------------|
| Physical Description  | White to off-white powder |
| Identification (NMR)  | To conform to structure   |
| Loss on Drying        | ≤ 3%                      |
| Purity (HPLC)         | ≥ 98%                     |
| Specification Version | - v1.1                    |
| Date Created          | - 2023-04-20              |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
