

## Product Specification

|                   |                                        |
|-------------------|----------------------------------------|
| Product Name      | L-Arginine ethyl ester dihydrochloride |
| Glentham Code     | GM1602                                 |
| CAS Number        | 36589-29-4                             |
| MDL-Nummer        | MFCD00038949                           |
| PubChem SID       | 310267014                              |
| Molecular Weight  | 275.18                                 |
| Molecular Formula | $C_8H_{18}N_4O_2 \cdot 2HCl$           |
| Storage Temp.     | -20°C                                  |

| Property             | Specification |
|----------------------|---------------|
| Physical Description | White powder  |
| Purity               | ≥ 98.0%       |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2015-03-03 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
