

## Product Datasheet

### GM5786 - Boc-Ser-OMe

#### Product Details

|                    |                        |
|--------------------|------------------------|
| Product Name       | Boc-Ser-OMe            |
| Glentham Code      | GM5786                 |
| CAS Number         | 2766-43-0              |
| MDL-Nummer         | MFCD00191869           |
| PubChem SID        | 310268439              |
| Related Categories | Amino Acid Derivatives |

|                           |                                     |
|---------------------------|-------------------------------------|
|                           | : NMR                               |
| Specific Optical Rotation | : -17.0 - -23.0 ° (c=1 in methanol) |
| Purity (HPLC)             | : ≥ 99.0%                           |
| Version                   | : v1.0                              |

#### About Boc-Ser-OMe

No further details on record.

#### Structure

|                   |                                                  |
|-------------------|--------------------------------------------------|
| Molecular Weight  | : 219.23                                         |
| Molecular Formula | : C <sub>9</sub> H <sub>17</sub> NO <sub>5</sub> |

#### Storage

Recommended storage temperature: +20°C.

#### Hazards and Transport

Not classified as hazardous under CLP.  
Not classified as dangerous for transport.

#### Glentham Product Specification

|                      |                               |
|----------------------|-------------------------------|
| Physical Description | : Colourless to yellow liquid |
| Identification       | : IR                          |
