

## Product Specification

|                   |                                                   |
|-------------------|---------------------------------------------------|
| Product Name      | Atorvastatin calcium salt                         |
| Glentham Code     | GP5009                                            |
| CAS Number        | 134523-03-8                                       |
| MDL-Nummer        | MFCD09752074                                      |
| PubChem SID       | 310267100                                         |
| Molecular Weight  | 604.69                                            |
| Molecular Formula | $C_{33}H_{34}FN_2O_5 \cdot 0.5 Ca \cdot 1.5 H_2O$ |
| Storage Temp.     | -20°C                                             |

| Property                  | Specification                            |
|---------------------------|------------------------------------------|
| Physical Description      | White to almost white crystalline powder |
| Solubility (2.5% in DMSO) | Clear, colourless solution               |
| Calcium (Ca)              | 3.0 - 3.6 %                              |
| Total Organic Impurities  | ≤ 1.0%                                   |
| Water                     | ≤ 5.5%                                   |
| Assay                     | 98.0 - 102.0 % (anhydrous basis)         |
| Specification Version     | - v1.0                                   |
| Date Created              | - 2013-09-17                             |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
