

## Product Specification

|                   |                       |
|-------------------|-----------------------|
| Product Name      | Di-4-ANEPPS           |
| Glentham Code     | GT2778                |
| CAS Number        | 90134-00-2            |
| MDL-Nummer        | MFCD03453609          |
| PubChem SID       | 310266858             |
| Molecular Weight  | 480.66                |
| Molecular Formula | $C_{28}H_{36}N_2O_3S$ |
| Storage Temp.     | +4°C                  |

| Property             | Specification                                        |
|----------------------|------------------------------------------------------|
| Physical Description | Orange-red to dark red solid                         |
| Solubility           | Soluble in DMSO, DMF, ethanol and insoluble in water |
| Assay                | ≥ 95.0%                                              |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2013-08-28 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
