

## Product Specification

|               |                    |
|---------------|--------------------|
| Product Name  | Retinyl propionate |
| Glentham Code | GV7197             |
| CAS Number    | 7069-42-3          |
| EINECS        | 230-363-2          |
| MDL-Nummer    | MFCD00129785       |
| PubChem SID   | 310279665          |

|                   |                                                |
|-------------------|------------------------------------------------|
| Molecular Weight  | 342.51                                         |
| Molecular Formula | C <sub>23</sub> H <sub>34</sub> O <sub>2</sub> |
| Storage Temp.     | +4°C                                           |

| Property             | Specification                                           |
|----------------------|---------------------------------------------------------|
| Physical Description | Yellow to very dark yellow or green-yellow, viscous oil |
| Identification (IR)  | To conform to standard                                  |
| Assay                | ≥ 2500U/mg                                              |
| Purity (HPLC)        | ≥ 98.0% (sum of isomers)                                |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.1       |
| Date Created          | - | 2020-05-05 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
