

## Product Specification

|               |                                      |
|---------------|--------------------------------------|
| Product Name  | Lithium metaborate, anhydrous, 99.9% |
| Glentham Code | GX1194                               |
| CAS Number    | 13453-69-5                           |

|                   |                 |
|-------------------|-----------------|
| Molecular Weight  | 49.75           |
| Molecular Formula | $\text{LiBO}_2$ |
| Storage Temp.     | +20°C           |

| Property                    | Specification             |
|-----------------------------|---------------------------|
| Physical Description        | White to off-white powder |
| Purity (Trace Metals Basis) | ≥ 99.9%                   |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.1       |
| Date Created          | - 2024-05-31 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
