

## Product Specification

|               |                                               |
|---------------|-----------------------------------------------|
| Product Name  | Platinum-Divinyltetramethyldisiloxane-Complex |
| Glentham Code | GX5177                                        |
| CAS Number    | 68478-92-2                                    |

|                   |                    |
|-------------------|--------------------|
| Molecular Weight  | 381.485            |
| Molecular Formula | $C_8H_{18}OPtSi_2$ |
| Storage Temp.     | +20°C              |

| Property              | Specification               |
|-----------------------|-----------------------------|
| Physical Description  | Colourless to yellow liquid |
| Platinum (Pt)         | 1.96 - 2.04 %               |
| Specification Version | - v1.0                      |
| Date Created          | - 2018-04-03                |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
