

## Product Specification

|                   |                            |
|-------------------|----------------------------|
| Product Name      | Potassium nitrate, 99.99+% |
| Glentham Code     | GX5250                     |
| CAS Number        | 7757-79-1                  |
| MDL-Nummer        | MFCD00011409               |
| Molecular Weight  | 101.11                     |
| Molecular Formula | KNO <sub>3</sub>           |
| Storage Temp.     | +20°C                      |

| Property                    | Specification                        |
|-----------------------------|--------------------------------------|
| Physical Description        | White crystalline powder or crystals |
| Purity (Trace Metals Basis) | ≥ 99.99%                             |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2020-02-28 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
