

## Product Specification

|               |                                 |
|---------------|---------------------------------|
| Product Name  | Desacetyl cefapirin sodium salt |
| Glentham Code | GX7178                          |
| CAS Number    | 104557-24-6                     |

|                   |                           |
|-------------------|---------------------------|
| Molecular Weight  | 403.41                    |
| Molecular Formula | $C_{15}H_{14}N_3NaO_5S_2$ |
| Storage Temp.     | -20°C                     |

| Property              | Specification                      |
|-----------------------|------------------------------------|
| Physical Description  | Light yellow to light brown powder |
| Assay (TLC)           | ≥ 95%                              |
| Specification Version | - v1.0                             |
| Date Created          | - 2020-01-29                       |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
