

## Product Specification

|               |                         |
|---------------|-------------------------|
| Product Name  | Silver sulfate, 99.999% |
| Glentham Code | GX7366                  |
| CAS Number    | 10294-26-5              |

|                   |                          |
|-------------------|--------------------------|
| Molecular Weight  | 311.80                   |
| Molecular Formula | $\text{Ag}_2\text{SO}_4$ |
| Storage Temp.     | +20°C                    |

| Property              | Specification                        |
|-----------------------|--------------------------------------|
| Physical Description  | White crystalline powder or crystals |
| Assay                 | $\geq 99.999\%$                      |
| Specification Version | - v1.0                               |
| Date Created          | - 2021-06-03                         |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
