

## Certificate of Analysis

|               |                                     |
|---------------|-------------------------------------|
| Product Name  | TBE Buffer (Tris-Borate-EDTA) (10X) |
| Glentham Code | GB0761                              |
| CAS Number    | -                                   |
| EINECS        | -                                   |
| Batch Number  | 147ZAC                              |

|                   |       |
|-------------------|-------|
| Molecular Weight  | -     |
| Molecular Formula | -     |
| Storage Temp.     | +20°C |

| Property                        | Specification            | Batch 147ZAC             |
|---------------------------------|--------------------------|--------------------------|
| Physical Description            | Clear, colourless liquid | Clear, colourless liquid |
| pH                              | 8.2 - 8.4                | 8.36                     |
| RNase                           | None detected            | Entspricht               |
| DNase                           | None detected            | Entspricht               |
| Suitability for electrophoresis | To conform               | Entspricht               |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2025-02-28 |
| Re-Test Date          | 2028-02-24 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
