

Certificate of Analysis

|                |                                      |
|----------------|--------------------------------------|
| Product Name   | Hydrochloric acid, 4% (w/v) in water |
| Glenthams Code | GE3443                               |
| CAS Number     | 7647-01-0                            |
| EINECS         | 231-595-7                            |
| MDL-Nummer     | MFCD00011324                         |
| Batch Number   | 591SJH                               |

|                   |       |
|-------------------|-------|
| Molecular Weight  | 36.46 |
| Molecular Formula | HCl   |
| Storage Temp.     | +20°C |

HCl

|                      |                            |                            |
|----------------------|----------------------------|----------------------------|
| Property             | Specification              | Batch 591SJH               |
| Physical Description | Clear, colourless solution | Clear, colourless solution |
| Concentration (w/v)  | 4%                         | Entspricht                 |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2024-09-25 |
| Re-Test Date          | 2026-09-19 |
