

## Certificate of Analysis

|                   |                                              |
|-------------------|----------------------------------------------|
| Product Name      | Salicylic acid, 99%                          |
| Glentham Code     | GK2915                                       |
| CAS Number        | 69-72-7                                      |
| EINECS            | 200-712-3                                    |
| MDL-Nummer        | MFCD00002439                                 |
| Batch Number      | 834NFK                                       |
| Molecular Weight  | 138.12                                       |
| Molecular Formula | C <sub>7</sub> H <sub>6</sub> O <sub>3</sub> |
| Storage Temp.     | +20°C                                        |

| Property             | Specification                                   | Batch 834NFK             |
|----------------------|-------------------------------------------------|--------------------------|
| Physical Description | White crystalline powder or colourless crystals | White crystalline powder |
| Melting Point        | 158.0 - 162.0 °C                                | 160.1°C                  |
| Assay                | 99.0 - 101.0 %                                  | 99.6%                    |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2023-03-14 |
| Re-Test Date          | 2032-03-23 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
