

## Certificate of Analysis

|               |                                                     |
|---------------|-----------------------------------------------------|
| Product Name  | Petroleum Ether 60-80 deg C,<br>GlenDry™, anhydrous |
| Glentham Code | GS6258                                              |
| CAS Number    | 101316-46-5                                         |
| MDL-Nummer    | MFCD00081849                                        |
| Batch Number  | 839GTM                                              |

|                   |       |
|-------------------|-------|
| Molecular Weight  | -     |
| Molecular Formula | -     |
| Storage Temp.     | +20°C |

| Property               | Specification            | Batch 839GTM             |
|------------------------|--------------------------|--------------------------|
| Physical Description   | Clear, colourless liquid | Clear, colourless liquid |
| Boiling Point          | 60 - 80 °C               | Entspricht               |
| Water                  | ≤ 0.0005%                | Entspricht               |
| Residue on Evaporation | ≤ 0.0001%                | Entspricht               |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2025-01-07 |
| Re-Test Date          | 2029-11-07 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
