

## Certificate of Analysis

|               |                   |
|---------------|-------------------|
| Product Name  | Glycine anhydride |
| Glentham Code | GM5225            |
| CAS Number    | 106-57-0          |
| EINECS        | 203-411-5         |
| MDL-Nummer    | MFCD00006009      |
| PubChem SID   | 310274278         |
| Batch Number  | 924FHM            |

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Molecular Weight  | 114.10                                                      |
| Molecular Formula | C <sub>4</sub> H <sub>6</sub> N <sub>2</sub> O <sub>2</sub> |
| Storage Temp.     | +20°C                                                       |

| Property             | Specification                                         | Batch 924FHM |
|----------------------|-------------------------------------------------------|--------------|
| Physical Description | White to off-white or light yellow crystalline powder | White powder |
| Assay                | ≥ 98.0%                                               | 99.1%        |

|                       |            |
|-----------------------|------------|
| Specification Version | v1.0       |
| Manufacture Date      | 2021-09-27 |
| Re-Test Date          | 2029-09-22 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
