

## Product Specification

|               |                        |
|---------------|------------------------|
| Product Name  | L-Dehydroascorbic acid |
| Glentham Code | GC7462                 |
| CAS Number    | 490-83-5               |
| PubChem SID   | 310270942              |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 174.11                                       |
| Molecular Formula | C <sub>6</sub> H <sub>6</sub> O <sub>6</sub> |
| Storage Temp.     | -20°C                                        |

| Property             | Specification                               |
|----------------------|---------------------------------------------|
| Physical Description | White to light yellow or light brown powder |
| Assay                | ≥ 97.0%                                     |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2021-03-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
