

## Product Specification

|                |                       |
|----------------|-----------------------|
| Product Name   | Soya lecithin, powder |
| Glentham Code  | GE0442                |
| CAS Number     | 8002-43-5             |
| EINECS         | 232-307-2             |
| MDL Number     | MFCD00147406          |
| Additional CAS | 55128-59-1            |

|                   |       |
|-------------------|-------|
| Molecular Weight  | -     |
| Molecular Formula | -     |
| Storage Temp.     | +20°C |

| Property                 | Specification              |
|--------------------------|----------------------------|
| Physical Description     | Cream to light-tan powder  |
| Acetone Insoluble Matter | ≥ 97%                      |
| Hexane Insoluble Matter  | ≤ 0.3%                     |
| Acid Value               | ≤ 30mgKOH/g                |
| Peroxide Value           | ≤ 5meq/kg                  |
| Water                    | ≤ 1.0%                     |
| Total Plate Count        | ≤ 1000CFU/g                |
| Enterobacteriaceae       | Negative in 1g             |
| E. Coli                  | Negative in 1g             |
| Yeast and Mould          | ≤ 100CFU/g                 |
| Salmonella               | Negative in 25g            |
| Total Coliforms          | Negative in 25g            |
| Arsenic (As)             | ≤ 3ppm                     |
| Lead (Pb)                | ≤ 2ppm                     |
| Mercury (Hg)             | ≤ 1ppm                     |
| GMO Content              | Not detectable (to ≤ 0.1%) |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2015-11-12 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
