

## Product Specification

|               |                                         |
|---------------|-----------------------------------------|
| Product Name  | 4,4''-Methylenebis(2,6-dimethylaniline) |
| Glentham Code | GK0727                                  |
| CAS Number    | 4073-98-7                               |
| EINECS        | 223-786-9                               |
| MDL Number    | MFCD00058680                            |
| PubChem SID   | 310276712                               |

|                   |                                                |
|-------------------|------------------------------------------------|
| Molecular Weight  | 254.38                                         |
| Molecular Formula | C <sub>17</sub> H <sub>22</sub> N <sub>2</sub> |
| Storage Temp.     | +20°C                                          |

| Property              | Specification                              |
|-----------------------|--------------------------------------------|
| Physical Description  | White, off-white or tan powder or crystals |
| Assay                 | ≥ 97.0%                                    |
| Specification Version | - v1.0                                     |
| Date Created          | - 2021-04-23                               |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
