

## Product Specification

|               |                                  |
|---------------|----------------------------------|
| Product Name  | Haematoporphyrin dihydrochloride |
| Glentham Code | GK2357                           |
| CAS Number    | 17696-69-4                       |
| EINECS        | 241-699-4                        |
| MDL Number    | MFCD00013470                     |
| PubChem SID   | 310274418                        |

|                   |                                |
|-------------------|--------------------------------|
| Molecular Weight  | 671.62                         |
| Molecular Formula | $C_{34}H_{38}N_4O_6 \cdot HCl$ |
| Storage Temp.     |                                |

| Property             | Specification                          |
|----------------------|----------------------------------------|
| Physical Description | Dark red to dark brown or black powder |
| Loss on Drying       | $\leq 1.0\%$                           |
| Purity               | $\geq 90.0\%$                          |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2018-01-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
