

## Product Specification

|                   |                                                   |
|-------------------|---------------------------------------------------|
| Product Name      | Valeric anhydride                                 |
| Glentham Code     | GK2603                                            |
| CAS Number        | 2082-59-9                                         |
| EINECS            | 218-212-9                                         |
| MDL Number        | MFCD00009477                                      |
| PubChem SID       | 310281617                                         |
| Molecular Weight  | 186.25                                            |
| Molecular Formula | $[\text{CH}_3(\text{CH}_2)_3\text{CO}]_2\text{O}$ |
| Storage Temp.     | +20°C                                             |

| Property             | Specification                     |
|----------------------|-----------------------------------|
| Physical Description | Colourless to light yellow liquid |
| Assay                | ≥ 97.0%                           |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2019-09-05 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
