

## Product Specification

|               |                             |
|---------------|-----------------------------|
| Product Name  | Protriptyline hydrochloride |
| Glentham Code | GK2901                      |
| CAS Number    | 1225-55-4                   |
| EINECS        | 214-956-3                   |
| MDL Number    | MFCD00072057                |
| PubChem SID   | 310279348                   |

|                   |                           |
|-------------------|---------------------------|
| Molecular Weight  | 299.84                    |
| Molecular Formula | $C_{19}H_{21}N \cdot HCl$ |
| Storage Temp.     |                           |

| Property             | Specification                         |
|----------------------|---------------------------------------|
| Physical Description | White to off-white crystalline powder |
| Assay                | ≥ 98.0%                               |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2023-08-14 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
