

## Product Specification

|               |                          |
|---------------|--------------------------|
| Product Name  | 1,4-Dihydroxynaphthalene |
| Glentham Code | GK3163                   |
| CAS Number    | 571-60-8                 |
| EINECS        | 209-336-4                |
| MDL Number    | MFCD00003977             |
| PubChem SID   | 310271833                |

|                   |                |
|-------------------|----------------|
| Molecular Weight  | 160.17         |
| Molecular Formula | $C_{10}H_8O_2$ |
| Storage Temp.     | +20°C          |

| Property             | Specification                                |
|----------------------|----------------------------------------------|
| Physical Description | White, light-yellow or brown powder or solid |
| Water                | ≤ 0.5%                                       |
| Assay                | ≥ 98.0%                                      |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2014-12-19 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
