

## Product Specification

|                   |                           |
|-------------------|---------------------------|
| Product Name      | 5,6-Dimethylbenzimidazole |
| Glentham Code     | GK3851                    |
| CAS Number        | 582-60-5                  |
| EINECS            | 209-488-1                 |
| MDL Number        | MFCD00005603              |
| PubChem SID       | 310272030                 |
| Molecular Weight  | 146.19                    |
| Molecular Formula | $C_9H_{10}N_2$            |
| Storage Temp.     | +20°C                     |

| Property             | Specification                                 |
|----------------------|-----------------------------------------------|
| Physical Description | White, light-yellow or tan crystalline powder |
| Assay                | ≥ 99.0%                                       |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2015-12-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
