

## Product Specification

|                   |  |
|-------------------|--|
| Product Name      | Ethyl pyruvate                               |
| Glentham Code     | GK5207                                       |
| CAS Number        | 617-35-6                                     |
| EINECS            | 210-511-2                                    |
| MDL Number        | MFCD00009123                                 |
| PubChem SID       | 310272935                                    |
| Molecular Weight  | 116.12                                       |
| Molecular Formula | C <sub>5</sub> H <sub>8</sub> O <sub>3</sub> |
| Storage Temp.     | +4°C   |

| Property              | Specification                     |
|-----------------------|-----------------------------------|
| Physical Description  | Colourless to light yellow liquid |
| Assay                 | ≥ 98.0%                           |
| Specification Version | - v1.0                            |
| Date Created          | - 2020-02-17                      |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
