

## Product Specification

|                   |                      |
|-------------------|----------------------|
| Product Name      | Porphobilinogen      |
| Glentham Code     | GK7307               |
| CAS Number        | 487-90-1             |
| EINECS            | 207-666-3            |
| PubChem SID       | 310279132            |
| Molecular Weight  | 226.23               |
| Molecular Formula | $C_{10}H_{14}N_2O_4$ |
| Storage Temp.     | -20°C                |

| Property              | Specification                         |
|-----------------------|---------------------------------------|
| Physical Description  | White to pink, beige or orange powder |
| Purity                | ≥ 97.0%                               |
| Specification Version | - v1.0                                |
| Date Created          | - 2016-06-21                          |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
