

## Product Specification

|                   |                                        |
|-------------------|----------------------------------------|
| Product Name      | 2-Bromo-2-chloro-1,1,1-trifluoroethane |
| Glentham Code     | GK7941                                 |
| CAS Number        | 151-67-7                               |
| EINECS            | 205-796-5                              |
| MDL Number        | MFCD00009602                           |
| PubChem SID       | 310268613                              |
| Molecular Weight  | 197.39                                 |
| Molecular Formula | $\text{CF}_3\text{CHBrCl}$             |
| Storage Temp.     | +4°C                                   |

| Property             | Specification            |
|----------------------|--------------------------|
| Physical Description | Clear, colourless liquid |
| Assay (GC)           | ≥ 99.0%                  |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2021-05-25 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
