

## Product Specification

|               |                      |
|---------------|----------------------|
| Product Name  | Diphenylacetonitrile |
| Glentham Code | GK8869               |
| CAS Number    | 86-29-3              |
| EINECS        | 201-662-5            |
| MDL Number    | MFCD00001862         |
| PubChem SID   | 310272211            |

|                   |                                   |
|-------------------|-----------------------------------|
| Molecular Weight  | 193.25                            |
| Molecular Formula | C <sub>14</sub> H <sub>11</sub> N |
| Storage Temp.     | +20°C                             |

| Property             | Specification                            |
|----------------------|------------------------------------------|
| Physical Description | White to faint yellow powder or crystals |
| Melting Point        | 72.0 - 76.0 °C                           |
| Purity (GC)          | ≥ 98.0%                                  |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2021-02-21 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
