

## Product Specification

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Product Name      | Methyl hexanoate                                   |
| Glentham Code     | GK8874                                             |
| CAS Number        | 106-70-7                                           |
| EINECS            | 203-425-1                                          |
| MDL Number        | MFCD00009510                                       |
| PubChem SID       | 310276772                                          |
| Molecular Weight  | 130.19                                             |
| Molecular Formula | $\text{CH}_3(\text{CH}_2)_4\text{CO}_2\text{CH}_3$ |
| Storage Temp.     | +20°C                                              |

| Property             | Specification     |
|----------------------|-------------------|
| Physical Description | Colourless liquid |
| Assay                | ≥ 99.0%           |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2014-08-19 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
