

## Product Specification

|               |                        |
|---------------|------------------------|
| Product Name  | 4-Hydroxydiphenylamine |
| Glentham Code | GK9924                 |
| CAS Number    | 122-37-2               |
| EINECS        | 204-538-9              |
| MDL Number    | MFCD00020142           |
| PubChem SID   | 310274824              |

|                   |                  |
|-------------------|------------------|
| Molecular Weight  | 185.23           |
| Molecular Formula | $C_{12}H_{11}NO$ |
| Storage Temp.     |                  |

| Property             | Specification                                               |
|----------------------|-------------------------------------------------------------|
| Physical Description | Grey to brown or dark brown powder, crystals or solid lumps |
| Identification (IR)  | To conform to standard                                      |
| Melting Point        | 69.0 - 78.0 °C                                              |
| Assay (GC)           | ≥ 98.0%                                                     |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2023-05-04 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
