

## Product Specification

|                   |                                     |
|-------------------|-------------------------------------|
| Product Name      | S-Methylisothiurea hemisulfate salt |
| Glentham Code     | GL0540                              |
| CAS Number        | 867-44-7                            |
| EINECS            | 212-759-7                           |
| MDL Number        | MFCD00013055                        |
| PubChem SID       | 310276844                           |
| Molecular Weight  | 278.38                              |
| Molecular Formula | $C_4H_{12}N_4S_2H_2SO_4$            |
| Storage Temp.     | +20°C                               |

| Property              | Specification                         |
|-----------------------|---------------------------------------|
| Physical Description  | White to off white crystalline powder |
| Assay                 | ≥ 99.0%                               |
| Specification Version | - v1.0                                |
| Date Created          | - 2019-10-24                          |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
