

## Product Specification

|                   |                                         |
|-------------------|-----------------------------------------|
| Product Name      | (+)-Etomoxir sodium salt hydrate        |
| Glentham Code     | GL0593                                  |
| CAS Number        | 828934-41-4                             |
| MDL Number        | MFCD11044452                            |
| PubChem SID       | 310272984                               |
| Molecular Weight  | 338.76                                  |
| Molecular Formula | $C_{15}H_{18}ClO_4 \cdot Na \cdot H_2O$ |
| Storage Temp.     | +4°C                                    |

| Property             | Specification |
|----------------------|---------------|
| Physical Description | White powder  |
| Assay (HPLC)         | ≥ 98.0%       |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2017-01-06 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
