

## Product Specification

|                   |                                   |
|-------------------|-----------------------------------|
| Product Name      | DL-Menthol                        |
| Glentham Code     | GL0768                            |
| CAS Number        | 89-78-1                           |
| EINECS            | 201-939-0                         |
| MDL Number        | MFCD00001484                      |
| PubChem SID       | 310276113                         |
| Additional CAS    | 15356-70-4                        |
| Molecular Weight  | 156.27                            |
| Molecular Formula | C <sub>10</sub> H <sub>20</sub> O |
| Storage Temp.     | +20°C                             |

| Property                                         | Specification                         |
|--------------------------------------------------|---------------------------------------|
| Physical Description                             | Colourless or white crystalline solid |
| Specific Optical Rotation ([α] <sub>20</sub> /D) | -2.0 - +2.0 ° (c=10, ethanol)         |
| Purity (GC)                                      | ≥ 98.0%                               |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2019-09-27 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
