

## Product Specification

|               |                                |
|---------------|--------------------------------|
| Product Name  | N,N-Dimethyldecylamine N-oxide |
| Glentham Code | GL4652                         |
| CAS Number    | 2605-79-0                      |
| EINECS        | 220-020-5                      |
| MDL Number    | MFCD00082523                   |
| PubChem SID   | 310277641                      |

|                   |                                                               |
|-------------------|---------------------------------------------------------------|
| Molecular Weight  | 201.35                                                        |
| Molecular Formula | $\text{CH}_3(\text{CH}_2)_9\text{N}(\text{O})(\text{CH}_3)_2$ |
| Storage Temp.     | -20°C                                                         |

| Property             | Specification |
|----------------------|---------------|
| Physical Description | White solid   |
| Purity               | ≥ 99.0%       |

|                       |              |
|-----------------------|--------------|
| Specification Version | - v1.0       |
| Date Created          | - 2013-09-11 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
