#### 4. First aid measures

# Description of first aid measures Skin contact Wash immediately with plenty of soap and water. Eye contact Bathe the eye with running water for 15 minutes. Ingestion Wash out mouth with water. Inhalation Consult a doctor.

4.2 Most important symptoms and effects, both acute and delayed

4.1

GL5532 v2.0

# **Glentham** LIFE SCIENCES

## Safety Data Sheet

www.glentham.com

|     | Skin contact                   | There may be mild irritation at the site of contact.                                  |
|-----|--------------------------------|---|
|     | Eye contact                    | There may be irritation and redness.  |
|     | Ingestion                      | There may be irritation of the throat.  |
|     | Inhalation                     | There may be irritation of the throat with a feeling of tightness in the chest.       |
|     | Delayed / immediate<br>effects | Immediate effects can be expected after short-term exposure.                          |
| 1.3 | Indication of any imi          | mediate medical attention and special treatment needed                                |
|     | Immediate / special treatn     |   |
|     | No data available.             |   |
|     |                                |   |
| 5.  | Fire-fighting measur           | res   |
| 5.1 | Extinguishing media            | 1   |
|     | Suitable extinguishin          | g media for the surrounding fire should be used.                                      |
| 5.2 | Special hazards aris           | ing from the substance or mixture   |
|     | Exposure hazards               |   |
|     | In combustion emits            | toxic fumes.  |
| 5.3 | Advice for fire-fighte         | ers   |
|     | Wear protective cloth          | ning to prevent contact with skin and eyes. Wear self-contained breathing apparatus.  |
|     |                                |   |
| 6.  | Accidental release n           | neasures  |
| 6.1 | Personal precaution            | s, protective equipment and emergency procedures                                      |
|     | Personal precautions           |   |
|     |                                | SDS for personal protection details.  |
| 6.2 | Environmental preca            | autions   |
|     | Do not discharge into          | o drains or rivers.   |
| 6.3 | Methods and materia            | al for containment and cleaning up  |
|     | Clean-up procedures            |   |
|     | Wash the spillage sit          | e with large amounts of water.  |
| 6.4 | Reference to other s           |   |
|     | Refer to section 8 of          | SDS.  |

| Engineering measures   | No data available.                                  |
|------------------------|---|
| Respiratory protection | Respiratory protective device with particle filter. |
| Hand protection        | Protective gloves.                                  |
| Eye protection         | Ensure eye bath is to hand. Safety glasses.         |
| Skin protection        | Protective clothing.                                |

#### 9. Physical and chemical properties

#### 9.1 Information on basic physical and chemical properties

| Solid              |
|--------------------|
| White              |
| No data available. |
|                    |

#### 9.2 Other information

No data available.

#### 10. Stability and reactivity

#### <sup>10.1</sup> Reactivity

Stable under recommended transport or storage conditions.

#### 10.2 Chemical stability

Stable under normal conditions.

#### 10.3 Possibility of hazardous reactions

#### Hazardous reactions

Decomposition may occur on exposure to conditions or materials listed below. Hazardous reactions will not occur under normal transport or storage conditions.

#### <sup>10.4</sup> Conditions to avoid

Heat.

#### <sup>10.5</sup> Incompatible materials

Materials to avoid

Strong acids. Strong oxidising agents.

#### 11. Toxicological information

#### 11.1 Information on toxicological effects

#### a) Acute toxicity No data available.

- b) Skin corrosion/irritation No data available.
- c) Serious eye damage/irritation No data available.

Safety Data Sheet

www.glentham.com

This product does not require a classification for transport.

#### 15. Regulatory information

#### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

This Safety Data Sheet is prepared in accordance with Commission Regulation (EC) 1907/2006, amended by Commission Regulation (EU) 2020/787.

#### Authorisations/Restrictions

| Regulation (EC) 1907/2006, REACH, Annex XIV list of substances subject to<br>authorisation:  | No data available. |
|--|--------------------|
| Regulation (EC) 1907/2006, REACH, Annex XVII restrictions on the manufacture, placing on the market and use of certain dangerous substances: | No data available. |
| Regulation (EC) 1005/2009 on substances that deplete the ozone layer:  | No data available. |
| Regulation (EC) 850/2004 on persistent organic pollutants, amended by (EU) No 2019/1021:   | No data available. |

#### 15.2 Chemical safety assessment

A chemical safety assessment has not been carried out for the substance or the mixture by the supplier.
