

## Product Specification

|               |          |
|---------------|----------|
| Product Name  | Ledol    |
| Glentham Code | GL7758   |
| CAS Number    | 577-27-5 |

|                   |                                   |
|-------------------|-----------------------------------|
| Molecular Weight  | 222.4                             |
| Molecular Formula | C <sub>15</sub> H <sub>26</sub> O |
| Storage Temp.     | -20°C                             |

| Property                | Specification                            |
|-------------------------|------------------------------------------|
| Physical Description    | White or almost white crystalline powder |
| Solubility (1% in DMSO) | Clear, colourless solution               |
| Purity (NMR)            | ≥ 95%                                    |

|                       |   |            |
|-----------------------|---|------------|
| Specification Version | - | v1.0       |
| Date Created          | - | 2017-08-02 |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
