

## Product Specification

|                   |                                                                                              |
|-------------------|----------------------------------------------------------------------------------------------|
| Product Name      | GSK1016790A                                                                                  |
| Glentham Code     | GL8092                                                                                       |
| CAS Number        | 942206-85-1                                                                                  |
| MDL Number        | MFCD12912413                                                                                 |
| PubChem SID       | 310274353                                                                                    |
| Molecular Weight  | 655.61                                                                                       |
| Molecular Formula | C <sub>28</sub> H <sub>32</sub> Cl <sub>2</sub> N <sub>4</sub> O <sub>6</sub> S <sub>2</sub> |
| Storage Temp.     | -20°C                                                                                        |

| Property                | Specification              |
|-------------------------|----------------------------|
| Physical Description    | White solid                |
| Identification (NMR)    | To conform to standard     |
| Solubility (1% in DMSO) | Clear, colourless solution |
| Purity (TLC)            | ≥ 97%                      |
| Specification Version   | - v1.0                     |
| Date Created            | - 2017-02-06               |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
