1.	Identification of the	substance/mixture and of the comp	anv/undertaking					
1.1	Identification of the substance/mixture and of the company/undertaking Product identifier							
1.1	Product name	: Boc-Pro-OH						
	Product code	: GM0659						
	CAS number	: 15761-39-4						
	EINECS	: 239-848-3						
1.2		of the substance or mixture and uses advised	against					
	PC21: Laboratory chemicals.							
1.3	Details of the supplier of the safety data sheet							
	Company name	: Glentham Life Sciences Ltd Unit 5 Leafield Way Corsham SN13 9SW United Kingdom	Fax : Email :	+44 (0) 1225 667 798 +44 (0) 2033 978 909 info@glentham.com www.glentham.com				
1.4	Emergency telephone nu	mber						
	Emergency telephone number: +44 (0) 1225 667 798 (09.00 – 17.00 GMT)							
1.5	REACH							
1.5	REACH A registration number is not available for this substance as the substance or its uses are exempted from registration, the annual							
	A registration number is not available for this substance as the substance of its uses are exempted from registration, the annual tonnage does not require a registration or the registration is envisaged for a later registration deadline.							
2.	Hazards identificatio	on						
2.1		Classification of the substance or mixture						
	Classification under CLP							
	•	classification under CLP.						
2.2	Label elements Label elements under CL	P						
	This product has no							
2.3	Other hazards	laber elements.						
2.5	PBT							
	This substance is no	t identified as a PBT substance.						
3.0	Composition/information on ingredients							
3.1	Substances							
	Product name	: Boc-Pro-OH	MW: 21	5.25				
	CAS number	: 15761-39-4	MF : C	10 ^H 17 ^{NO} 4				
	EINECS	: 239-848-3						
4.0	First aid measures							
4.1	Description of first aid me Skin contact	easures						
	Wash immediately w	ith plenty of soap and water.						
	Eye contact							
	Bathe the eye with ru	unning water for 15 minutes.						
	Ingestion							
	Wash out mouth with	n water.						
	Inhalation							
	Consult a doctor.							
4.2	Most important symptoms and effects, both acute and delayed Skin contact							
	There may be mild irritation at the site of contact.							
	Eye contact							
	There may be irritation	on and redness.						
	Ingestion							

There may be irritation of the throat.

GM0659 v1.0

Safety Data Sheet

www.glentham.com

	Inhalation
	There may be irritation of the throat with a feeling of tightness in the chest.
	Delayed / immediate effects
	Immediate effects can be expected after short-term exposure.
4.3	Indication of any immediate medical attention and special treatment needed
4.5	Immediate / special treatment
	Not applicable.
5.0	Fire-fighting measures
5.1	Extinguishing media
	Suitable extinguishing media for the surrounding fire should be used.
5.2	Special hazards arising from the substance or mixture
	Exposure hazards
	In combustion emits toxic fumes.
5.3	Advice for fire-fighters
	Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.
6.0	Accidental release measures
6.1	Personal precautions, protective equipment and emergency procedures
	Personal precautions Refer to section 8 of SDS for personal protection details.
6.2	Environmental precautions
0.2	
	Do not discharge into drains or rivers.
6.3	Methods and material for containment and cleaning up
	Clean-up procedures
	Wash the spillage site with large amounts of water.
6.3	Reference to other sections
	Refer to section 8 of SDS.
	Usedline and states
7.0	Handling and storage
7.1	Precautions for safe handling
	Handling requirements
	Avoid the formation or spread of dust in the air.
7.2	Conditions for safe storage, including any incompatibilities
	Storage conditions Store in cool, well ventilated area. Keep container tightly closed. Avoid contact with water or humidity.
7.0	
7.3	Specific end use(s)
	No data available.
8.0	Exposure controls/personal protection
8.1	Control parameters
0.1	Workplace exposure limits
	Not applicable.
8.2	Exposure controls
0.2	Engineering measures
	Not applicable.
	Respiratory protection
	Respiratory protective device with particle filter.
	Hand protection
	Protective gloves.
	Eye protection
	Safety glasses. Ensure eye bath is to hand.
	Skin protection
