Safety Data Sheet

www.glentham.com

	Delayed / immediate effects Immediate effects can be expected after short-term exposure.			
4.3	Indication of any immediate medical attention and special treatment needed			
4.0	Immediate / special treatment			
	Not applicable.			
	···			
5.0	Fire-fighting measures			
5.1	Extinguishing media			
	Suitable extinguishing media for the surrounding fire should be used.			
5.2	Special hazards arising from the substance or mixture			
	Exposure hazards			
	In combustion emits toxic fumes.			
5.3	Advice for fire-fighters			
	Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.			
 6.0	Accidental release measures			
6.1	Personal precautions, protective equipment and emergency procedures			
0.1	Personal precautions, protective equipment and emergency procedures Personal precautions			
	Refer to section 8 of SDS for personal protection details.			
6.2	Environmental precautions			
0.2				
	Do not discharge into drains or rivers.			
6.3	Methods and material for containment and cleaning up			
	Clean-up procedures			
c 2	Wash the spillage site with large amounts of water.			
6.3	Reference to other sections			
	Refer to section 8 of SDS.			
7.0	Handling and storage			
7.1	Precautions for safe handling			
	Handling requirements			
	Avoid the formation or spread of dust in the air.			
7.2	Conditions for safe storage, including any incompatibilities			
	Storage conditions			
	Store in cool, well ventilated area. Keep container tightly closed. Avoid contact with water or humidity.			
7.3	Specific end use(s)			
	No data available.			
8.0	Exposure controls/personal protection			
8.1	Control parameters			
	Workplace exposure limits			
	Not applicable.			
8.2	Exposure controls			
	Engineering measures			
	Not applicable.			
	Respiratory protection			
	Respiratory protective device with particle filter.			
	Hand protection			
	Protective gloves.			
	Eye protection			
	Safety glasses. Ensure eye bath is to hand.			
	Skin protection			
	Protective clothing.

0.0	Physical and chemical properties
.1	Information on basic physical and chemical properties
	Physical Form:
	Colour:
.2	Other information
	Not applicable.
0.0	Stability and reactivity
0.1	Reactivity
0.2	Chemical stability
	Stable under normal conditions.
0.3	Possibility of hazardous reactions
	Hazardous reactions
	Hazardous reactions will not occur under normal transport or storage conditions. Decomposition may occur on exposure to condition or materials listed below.
0.4	Conditions to avoid
	Heat.
0.5	Incompatible materials
	Materials to avoid Strong acids. Strong oxidising agents.
1.0	Toxicological information
1.1	Information on toxicological effects
	Toxicity values
	Not applicable.
1.2	Information on toxicological effects
	Skin contact
	There may be mild irritation at the site of contact. Eye contact
	There may be irritation and redness.
	Ingestion
	There may be irritation of the throat.
	Inhalation
	There may be irritation of the throat with a feeling of tightness in the chest.
	Delayed / immediate effects
	Immediate effects can be expected after short-term exposure.
	Other information
2.0	Ecological information
2.1	Toxicity
	Not applicable.
2.2	Persistence and degradability
	Biodegradable.
2.3	Bioaccumulative potential
• •	No bioaccumulation potential.
2.4	Mobility in soil
. .	No data available.
2.5	Results of PBT and vPvB assessment This substance is not identified as a PBT substance.

Safety Data Sheet

	Negligible ecotoxicity.				
13.0	Disposal considerations				
13.1	Waste treatment methods				
	Disposal operations				
Transfer to a suitable container and arrange for collection by specialised disposal company. NB					
	The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.				
	Transport information				
	This product does not require a classification for transport.				
15.0	Regulatory information				
	Safety, health and environmental regulations/legislation specific for the substance or mixture				
	Not applicable.				
	Chemical Safety Assessment				
	A chemical safety assessment has not been carried out for the substance or the mixture by the supplier.				
16.0	Other information				
	Other information				
	This safety data sheet is prepared in accordance with Commission Regulation (EU) No 453/2010.
