	Emergency telephone nu	111ber. +44 (0) 1225 667 798 (09.	.00 - 17.00  GWH		
1.5	REACH				
	A registration number is r	not available for this substance a	s the substance o	r its uses are exempted from registration, the an	nual
	tonnage does not require	e a registration or the registration	is envisaged for a	later registration deadline.	
2.	Hazards identification				
2.1	Classification of the substance	) or mixture			
	Classification under CLP				
	This product has no class	sification under CLP.			
2.2	Label elements				
	Label elements under CLP				
	This product has no label	l elements.			
2.3	Other hazards				
	PBT				
	This substance is not ider	entified as a PBT substance.			
3.0	Composition/information	n on ingredients

### Safety Data Sheet

www.glentham.com

Delayed / immediate offects				
Delayed / immediate effects Immediate effects can be expected after short-term exposure.				
Indication of any immediate medical attention and special treatment needed				
Immediate / special treatment				
Not applicable.				
Fire-fighting measures				
Extinguishing media				
Suitable extinguishing media for the surrounding fire should be used.				
Special hazards arising from the substance or mixture				
Exposure hazards				
In combustion emits toxic fumes.				
Advice for fire-fighters				
Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.				
A14				
Accidental release measures				
Personal precautions, protective equipment and emergency procedures				
Personal precautions				
Refer to section 8 of SDS for personal protection details.				
Environmental precautions				
Do not discharge into drains or rivers. Methods and material for containment and cleaning up				
Clean-up procedures				
Wash the spillage site with large amounts of water.				
Reference to other sections				
Refer to section 8 of SDS.				
Handling and storage				
Precautions for safe handling				
Handling requirements				
Avoid the formation or spread of dust in the air.				
Conditions for safe storage, including any incompatibilities				
Storage conditions				
Store in cool, well ventilated area. Keep container tightly closed. Avoid contact with water or humidity.				
Specific end use(s)				
No data available.				
Exposure controls/personal protection				
Control parameters				
Workplace exposure limits				
Not applicable.				
Exposure controls				
Engineering measures				
Not applicable.				
Respiratory protection				
Respiratory protective device with particle filter.				
Hand protection				
Protective gloves.				
Eye protection				
Eye protection Safety glasses. Ensure eye bath is to hand.

## Safety Data Sheet

www.glentham.com

0.0	Physical and chemical properties
.1	Information on basic physical and chemical properties
	Physical Form:
	Colour:
.2	Other information
	Not applicable.
0.0	Stability and reactivity
0.1	Reactivity
0.2	Chemical stability
	Stable under normal conditions.
0.3	Possibility of hazardous reactions
	Hazardous reactions
	Hazardous reactions will not occur under normal transport or storage conditions. Decomposition may occur on exposure to condition or materials listed below.
0.4	Conditions to avoid
	Heat.
0.5	Incompatible materials
	Materials to avoid Strong acids. Strong oxidising agents.
1.0	Toxicological information
1.1	Information on toxicological effects
	Toxicity values
	Not applicable.
1.2	Information on toxicological effects
	Skin contact
	There may be mild irritation at the site of contact. Eye contact
	There may be irritation and redness.
	Ingestion
	There may be irritation of the throat.
	Inhalation
	There may be irritation of the throat with a feeling of tightness in the chest.
	Delayed / immediate effects
	Immediate effects can be expected after short-term exposure.
	Other information
2.0	Ecological information
2.1	Toxicity
	Not applicable.
2.2	Persistence and degradability
	Biodegradable.
2.3	Bioaccumulative potential
	No bioaccumulation potential.
2.4	Mobility in soil
25	No data available. Results of PBT and vPvB assessment
2.5	
	This substance is not identified as a PBT substance.

Safety Data Sheet

www.glentham.com

	Negligible ecotoxicity.				
13.0	Disposal considerations				
13.1	Waste treatment methods				
	Disposal operations				
	Transfer to a suitable container and arrange for collection by specialised disposal company.				
	NB				
	The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.				
	Transport information				
	This product does not require a classification for transport.				
15.0	Regulatory information				
	Safety, health and environmental regulations/legislation specific for the substance or mixture				
	Not applicable.				
	Chemical Safety Assessment				
	A chemical safety assessment has not been carried out for the substance or the mixture by the supplier.				
 16.0	Other information				
10.0					
	Other information				
	This safety data sheet is prepared in accordance with Commission Regulation (EU) No 453/2010.
