

## Product Specification

|                   |                               |
|-------------------|-------------------------------|
| Product Name      | 3-Amino-4-hydroxybenzoic acid |
| Glentham Code     | GM1697                        |
| CAS Number        | 1571-72-8                     |
| EINECS            | 216-390-2                     |
| MDL Number        | MFCD00007697                  |
| PubChem SID       | 310266353                     |
| Molecular Weight  | 153.14                        |
| Molecular Formula | C7H7NO3                       |
| Storage Temp.     |                               |

| Property              | Specification                                       |
|-----------------------|---|
| Physical Description  | Off-white to grey or light-brown crystals or powder |
| Assay                 | ≥ 98.0%   |
| Specification Version | - v1.0  |
| Date Created          | - 2016-05-15  |

Glentham Life Sciences confirm that the above referenced product conformed to the information displayed in this document on the quality release date. Please check [www.glentham.com](http://www.glentham.com) or contact us using the details above for the current version of this document.
