

## Product Datasheet

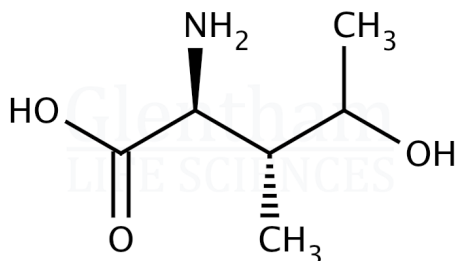

### GM2833 - 4-Hydroxyisoleucine

#### Product Details

|               |                     |
|---------------|---------------------|
| Product Name  | 4-Hydroxyisoleucine |
| Glentham Code | GM2833              |
| CAS Number    | 781658-23-9         |
| PubChem SID   | 310274879           |

#### Structure

Molecular Weight : 147.13  
Molecular Formula :

### Glentham Product Specification

|                      |                                         |
|----------------------|-----------------------------------------|
| Physical Description | : White to off-white crystalline powder |
| Assay                | : $\geq 98.0\%$                         |
| Version              | : v1.0                                  |

#### About 4-Hydroxyisoleucine

No further details on record.

#### Storage

Recommended storage temperature: -20°C.

#### Hazards and Transport

Not classified as dangerous for transport.

|                     |                                                   |
|---------------------|---------------------------------------------------|
| CLP Classification  | Skin Irr. 2, STOT SE 3,<br>STOT SE 3, Eye Irr. 2A |
| Signal Word         | Warning                                           |
| Hazard Codes        | H315, H336, H335, H319                            |
| Precautionary Codes | P305+P351+P338, P261                              |
| Pictograms          |                                                   |
